Please vote NO on Article #2

## Town Meeting

Town Meeting is a proven form of Government. We have the 5<sup>th</sup> LOWEST TAXES in NH.

Town Meeting provides discussion and education first hand on all issues.

Town Meeting allows voters to amend or improve line items on a single budget.

Town Meeting eliminates voting lines at the polls, less confusion and misunderstanding (in and out of the booths).

Transparency – you know who your elected officials are !!!

## SB2

From 2007 to 2008, 64.5 % of NH towns with SB2 had their Town Tax Rate INCREASE.

SB2 information is second hand “word of mouth”

SB2 Default Budget only compromises services such as plowing private roads, library, human services, police and fire protection.

SB2 increases chances of long lines, confusion and misunderstanding. (average 20 minutes in the booths).
