Re: Project Veritas/James O'Keefe

Dear Ms. Naffe:

I understand that you have in your possession electronic records, including but not limited to e-mails, that relate to James O'Keefe and/or Project Veritas. In furtherance of the State of New Hampshire's ongoing investigation regarding certain activities that occurred during New Hampshire's presidential primary in January 2012, I am writing to request access to those records. To that end, please contact me in order that we may determine the format of the records in your possession, and how we can best transfer those records to our investigator.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard W. Head".
