Dear Mr. Naile:

The Department of Justice has received your June 2, 2015 request for copies of "any report regarding NH State Senator Martha Fuller-Clark's non-resident voters using her home in Portsmouth from 2008 -2012 " This letter serves as an initial five-day response to your request.

Our office will respond to your document request within 30 days. If we cannot complete the review and production of the requested documents by that date, then we will then notify you of when the documents will become available.

Sincerely,
