NOTICE TO DEFENDANTS ELIGIBLE FOR BAIL

FOR USE WHEN: A person is arrested for a new offense or as the result of an electronic bench warrant and is not released on a summons.

You have been arrested for an offense which entitles you to a bail determination.

Pursuant to RSA 597:20 a bail commissioner, appointed by the court, can set bail in your case **unless you have been arrested on an electronic bench warrant and bail has been set by a judge**. In that instance, the bail commissioner will collect the bail set by the court or, if bail is set at personal recognizance, the bail commissioner will complete the bail paperwork so that you may be released. The law provides that bail commissioners are entitled to a fee of \$40 for their services.

If you do not request the services of a bail commissioner, thereby avoiding the \$40 fee, you will be arraigned before a judge within 24 hours of your arrest, Saturdays, Sundays, and holidays excluded.

If you are unable to pay the bail commissioner the fee now, the commissioner will still set bail and you will be given an opportunity to pay the fee later. Finally, if you are indigent, you may petition the court to waive the \$40 fee.

- I have been arrested for a new offense for which bail may be set by a bail commissioner or on an electronic bench warrant which allows the bail commissioner to set the bail amount. I request the services of a bail commissioner.
- I have been arrested for a new offense for which bail may be set by a bail commissioner or on an electronic bench warrant which allows the bail commissioner to set the bail amount. I agree to await a hearing before a judge within 24 hours of my arrest, Saturdays, Sundays, and holidays excluded.
- I have been arrested on an electronic bench warrant for which a bail has already been set by a judge in the amount of \$_____ cash or cash/surety. I understand that I will need the listed amount of bail to be released. If I cannot post the bail, I understand that I will be brought before a court within 24-hours (excluding weekends and holidays) for a hearing before a judge. If I can post said bail at any time prior to a hearing before a judge, I can request the services of a bail commissioner.
- I have been arrested on an electronic bench warrant for which a bail has already been set by a judge in the amount of \$_____ personal recognizance. I understand that I will be released upon completion of bail documents with the bail commissioner.
