

What is it *worth...*

? to know that if your elderly neighbor has a medical emergency, the Newbury Fire and Rescue Department's EMTs will arrive quickly with the equipment they need to help?

▶ *10 members of the department are certified EMTs. Like the rest of NH, Newbury is an aging community with increasing numbers of calls for medical assistance.*

? to know that if your friend is driving home on an icy night and goes off the road, rescue equipment and fire department personnel will answer the call, provide first aid, and prevent the accident scene from getting worse?

▶ *In January 2018 alone the department responded to 9 accidents.*

? to know that if your home catches fire the Newbury on call firefighters will arrive in time to save your home, your loved ones, and your life?

? to know that Newbury's on call Fire and Rescue Department - your friends and neighbors - have the resources they need to do their job of helping all of us?

▶ *The squad currently numbers 28; some of them you know personally.*

Is that security worth \$79 a year to you?
(based on the Newbury median home valuation of \$247,000)

**Is it worth the cost of a concert or ballgame ticket
or a nice dinner out?**

**If so, PLEASE VOTE YES on March 14 to
build a new fire station.**

To Newbury Residents:
To Forest Brook Rd
Newbury, NH 03255

Town of Newbury
PO Box 296
Newbury, NH 03255

The time to act is **NOW!**

Bond interest rates are low, but the expectation is they will rise soon. (2.2% interest on a 20-years bond is the rate we are being offered now.)

Construction costs have gone up 10-12% over the past two years, with no sign of reversing. Newbury has no outstanding bonds right now.

The existing fire station is too small, with fire and rescue vehicles too deep in bays, delaying deployment of the appropriate vehicles.

The department is staffed with on call Newbury citizens, who are working in dangerously tight quarters, with hazardous exposure to toxic post-fire chemicals. How much longer will they continue to serve under those conditions?

The men and women who volunteer to keep Newbury safe ask for your help—and your vote!

Vote **YES at town meeting**
Wednesday, March 14, 7 pm
Spruce Lodge, 2nd floor, Mt. Sunapee Resort
